THE XIth INTERNATIONAL RISK MANAGEMENT CONFERENCE

April 16–17, 2015 in Almaty (Kazakhstan),
RIXOS Almaty Hotel

Since 2004, our International Risk Management Conference has been a platform for worldwide financial, commercial and industrial sector professionals in Central and Eastern Europe, creating communicative areas for across-the-board discussions on main challenges and perspectives of risk management development, as well as natural, technological and catastrophic risks.

Almaty, in the heart of Eurasia, will host the XI International Risk Management Conference. Top experts, politicians and businessmen from around 40 countries will gather together to share with you new approaches, suggestions and recommendations over all spheres of risk management.

Currently, the world economy is again teetering on the brink of recession and deflation. The prerequisites for development, along with economic regulations are emphasized by the implementation of an effective risk management tools and innovations, offers the ability to minimize impact of any disruption in the future and to create new opportunities for growth. Therefore each of us today, one way or another, is involved in the building of a new, creative and constructive economy for benefiting development and prosperity.

Leading experts and specialists in risk-management of major international insurance/reinsurance companies and brokers, heads of investment banking, management of commercial and industrial risks, multinational companies, audit firms, international rating agencies will present their reports, opinions and viewpoints at this conference.

The past ten International Risk Management Conferences have attracted such influential speakers as *Nouriel Roubini* – a leading world economist; *David Laxton* – Director of Standard & Poor's; *Konstantin Sonin* – Professor of Economics, New Economic School; *Patrick Kenny* – former President of International Insurance Society (IIS); the late *Yegor Gaidar* – Deputy Prime Minister of Russian Federation, Director of the Institute for the Economy in Transition; *Marcos Prado Troyjo* – Professor of Columbia University, Director of Research Center BRIC-Lab; *Ezzat Abdel Bary* – Federation of Afro-Asian Insurers and Reinsurers (FAIR); *Alexey Maslov* – Professor at National Research University – Higher School of Economics; *Volker Henke* – the German Insurance Association (GDV); *Karel Van Hulle* – former Head of Insurance and Pensions at the European Commission; *Alice Vaidyan* – General Insurance Corporation of India (GIC Re) and other prominent experts in their fields.
